## About Me

Overall, I have about 3-4 years of real experience with 5 personal computers. The task for each PC varies from server, gaming, and productive work. I have taken on a bunch of personal projects using ubuntu and windows. I am overall a friendly, hardworking, efficient employee/person.

If something needs done quick and right, I am the guy for the job.

## Skills

- Work Ethic
- Willing to learn
- Mobile devices
- Laptop and Stationary PC's
- Troubleshooting
- Customer Service and Problem Solving

## Education

- **Stewart County High School** 2019-2023  
*Class of 2023*  
Highschool Diploma
- **University of Tennessee at Martin** 2023-current  
My major: Computer Engineering  
Graduation date is not set yet.  
Changed my career focus of Law to Computers.
- **CompTIA A+ Certification** In Progress  
Entry Level IT Certification  
This certification opens the door to many more IT opportunities.  
This teaches the basics for personal computers in a work place.

## Experience

- **Uncle Bubba's Sandwich Shop** 2022 - 2023  
*Andrew Weiss: personal phone*  
I am willing to bring letter of recommendation to the interview.  
I started here as my first job, at 16. I continued to work hard for the half a year to a year that I worked at this job. My job here was cashier and cook. in the end I was laid off so they could close the store down.
- **The Dip Dairy Freeze** 2023 - 2026  
*Gerrod Slawson: 931-232-5927*  
I am willing to bring letter of recommendation to the interview.  
My job here is Cashier/food prep.  
Here, I made milkshakes, while also occasionally working in the kitchen. The most worthwhile skill I learned from here is time management.  
This includes being fast without degrading quality of service.
- **Admissions at University of Tennessee at Martin** 2023 - Current  
*Destin Tucker: admissions@utm.edu*  
Currently, I am working here.  
I am willing to bring letter of recommendation to interview.  
In this job, I do a large variety of tasks; from answering the phone all the way to creative work.
